Korea · World Chinese Entrepreneurs Business Week 2020

We deeply appreciate your interest and support in the Korea-World Chinese Entrepreneurs Business Week as Chinese entrepreneurs.

In order to promote business cooperation between Korea and World Chinese Entrepreneurs, the Korean government, Korea Chinese Chamber of Commerce & Industry (KCCCI), Korea Busan-Ulsan-Gyeongnam Chinese Chamber Of Commerce & Industry (KBCCCI) are hosting Korea · World Chinese Entrepreneurs Business Week 2020. The World Chinese Entrepreneurs Convention (WCEC) will participate as a supportive organization for this event.

We are all looking forward to our future.

When we bring together Korea's advanced industries and the investment of Chinese entrepreneurs, we will be able to create global new growth industries. Also, the South Korean (Moon Jae-in) government aims to achieve co-prosperity with ASEAN countries through its New Southern Policy and seeks to connect Europe and Asia beyond achieving peace with North Korea through its New Northern Policy. Therefore, we would like to humbly ask for your kind interest and participation in the event hosted at such an important time.

Establishing joint ventures with Korean companies in local market of Chinese entrepreneurs and building communities for technology transfer

Providing import-related information for those who seek to enter the local market by purchasing excellent products of Korean companies

Strengthening the role as a channel to promote Chinese entrepreneurs who wish their companies and products to have a foothold in the Korean market

Support in creating a foothold in Korea including the establishments of hotels, resorts, and businesses through local investments

A chance to experience manufacturing technology, airline-automotive parts, shipbuilding, and hydrogen industries of the host city of Changwon City, Gyeongnam, Korea, as well as an opportunity for consultation on the new investment and technology
